Introducing the elevator inspection  
industry's first and only online  
test-tracking system...

## Speed. Accuracy. Transparency. Timely Filing.

Test scheduling is the easy part. Completing the test — routine. What happens next is what you should be concerned with most.

### That's when Gotham's service shines.

Our time-saving procedures, meticulous organization and cutting-edge technology are benefits enjoyed by every Gotham client. When your Test Reports are filed on time, you remain code compliant and avoid Civil Penalties.

### Critical components of our superior service are:

- On-time filing of Test Reports
- Posting all test data on GEI TestTracker™ for you to view
- Using high-speed scanners to process Test Reports
- Collecting test data on-site using handheld devices
- Emailing ELV-3 Test Reports to your elevator company within 24 hours
- Faxing you a “Satisfactory” notice or “Unsatisfactory” notice with a Deficiencies List within 24 hours
- Promptly collecting signed Test Reports from your elevator company and letting you know if there's a delay
- Cutting DOB checks for you
- Monitoring BIS to see if you've been credited for completing your inspections

## WANT TO KNOW EXACTLY WHERE YOU STAND WITH THE DOB?

With **GEI TestTracker™** now you can stay informed about all your elevator inspections — from scheduling to filing.

- Check the status of tests — 24/7/365
- View deficient items in easy-to-understand language
- Access and download test reports
- See if tests were confirmed in BIS

### How can GEI TestTracker™ help you?

- Meet deadlines and stay code compliant
- Avoid violations and penalties
- Reduce or eliminate delays and errors
- Decrease calls to check status
